**MARYLAND ARMY NATIONAL GUARD
ENVIRONMENTAL POLICY STATEMENT
29 October 2004**

The Maryland Army National Guard is a trained, professional force ready to accomplish its mission with citizen-soldiers committed to preserving the timeless traditions and values of service to our nation and communities. Our mission is to maintain properly trained, equipped and disciplined forces ready to respond to domestic emergencies and federal mobilization.

The Maryland Army National Guard is committed to environmental stewardship while meeting the demands of our mission.

Through sound environmental management the Maryland Army National Guard is committed to:

- Continued improvement and progress in the prevention of pollution.
- Compliance with Federal, State, local and other requirements to which we subscribe regarding the protection of the environment.
- Personnel who are expected to be stewards of environmental protection by implementing current procedures, practices and policies and by bringing deficiencies promptly to the attention of the chain of command.
- Monitor our performance on a regular basis by setting and reviewing environmental management goals.
- Work with interested groups and communicate to the public our environmental management goals.
