

With deep humility and respect, we consider it a privilege to provide military honors to our deceased veterans

Rest now, fallen comrade,
For I bear honor upon your sacred place.
Rest now, fallen comrade,
For I stand casting freedom
Upon your resting place.
Fight no more, fallen comrade,
For I am here to see we are free.
For I will stand, fallen comrade,
Having full knowledge my dress and
Actions reflect on those that surround
me,
For I represent a nation
And the state in which I serve.
So rest now, fallen comrade,
For I will bear honor upon this
Sacred place you now honor.

At the minimum Military Funeral Honors consist of the folding of the flag and presentation to the next of kin and a bugler to sound Taps.

The Maryland National Guard Honor Guard provides three types of honors details:

-Three Person Detail. The Three Person Detail consists of two military personnel and a live bugler to sound Taps, if available. These honors are available to all honorably discharged veterans.

-Seven Person Detail. The Seven Person Detail consists of six military personnel and a live bugler to sound Taps, if available. These honors are available to all retired service members, National Guard or Reserve Soldiers not killed in action and Active Duty Soldiers not killed in action.

-Full Honors Detail. This detail can consist up to as many as 21 members and may include a firing party as well as casket bearers, a colors team and a chaplain. Also a bugler will sound Taps. Full Honors are reserved for those who die on Active Duty, Medal of Honor recipients, General Officers and E-9s.

The MDNGHG will provide a Live Bugler to sound Taps for funerals upon request.
