UNIT: 276th Cyberspace Operations Squadron

AFSC: 17X, 14N

AUTHORIZED GRADE: Major/Lieutenant Colonel

POSITION DESCRIPTION: Director of Operations for the Maryland Air National Guard 276th Cyberspace Operations Squadron (COS) whose primary mission is offensive cyber operations in support of United States national interests. Serves as chief advisor on all matters related to cyberspace operations to the 276th Cyberspace Operations Squadron (COS) Commander.

Reports directly to the 276th COS Commander. Manages a program through subordinate supervisors who each direct substantial workloads requiring working broad policies and objectives, and develops short and long-range plans and projections of all Offensive Cyberspace Operations (OCO) requirements. Coordinates with flight commanders to ensure the squadron is mission ready and capable of training, deploying and supporting Air Force (AF) OCO tasking. Determines required communications security measures for users, equipment, and services. Ensures risk analyses are completed, updated and periodically reviewed and that internal reviews are accomplished. Works with Squadron Commander to identify funding problems and execute current year programs. Responsible for oversight of all OCO internal training programs and personnel training currency for technician, Active Guard Reserve (AGR) and Drill Status (DSG) personnel. Reviews and assures adherence to ANG and AFSPC Concept of Operations (CONOPS) and Concept of Employment (CONEMP) in support of higher headquarters tasking. Responsible for development, sustainment, and currency of Unit Type Code (UTC) Mission Capability Statements (MISCAPS) and all related personnel and equipment associated with each. Provides technical and administrative supervision and evaluation of technician, AGR and DSG personnel through subordinate supervisors. Participates fully with the Commander in determining annual objectives for the organization and establishing work schedules to achieve those objectives. Ensures Host-Tenant Support Agreements and Memorandums of Understanding (MOUs) involving support are approved and implemented, which require expert knowledge of unit requirements and host organization's capabilities. Performs other duties as assigned.

MANDATORY:

- Applicants must qualify for, or already possess, a TOP SECRET/SENSITIVE COMPARTMENTED INFORMATION (TOP SECRET IS REQUIRED HOWEVER, ELIGIBILITY FOR SCI IS ACCEPTABLE), and pass a Counter Intelligence Polygraph. Applicants must be able to maintain this security clearance during their command time.
