1.7 Pre-Bid Conference

Each Bidder or their representative must attend the scheduled Pre-Bid Conference/Site Visit. Normally, attendance at the Pre-Bid is not required. However, if there is a Minority Business Enterprise (MBE) Goal on this solicitation, Bidders or Offerors or their representative, including those Bidders or Offerors that are certified MBE’s, are required to attend Pre-Bid or other meetings the procurement agency schedules to publicize contracting opportunities to certified MBE’s. (See State Finance and Procurement Article, §14-302(a)(7)(v) and COMAR 21.11.03.09 C(2)(e)).

FAILURE TO ATTEND THE PRE-BID CONFERENCE WILL BE TAKEN INTO CONSIDERATION AS PART OF THE EVALUATION OF A BIDDER’S GOOD FAITH EFFORTS IF THERE IS A WAIVER REQUEST.

In addition, it is highly recommended that ALL Prime Contractors bring their intended subcontractors to the Pre-Bid Conference/Site Visit to ensure that all parties understand the requirements of the contract and the MBE Goal. Finally, MBE Subcontractors are encouraged to attend the Pre-Bid Conference/Site Visit to ‘market’ their participation to potential prime contractors.

The Pre-Bid Conference/Site Visit is scheduled for Tuesday May 17, 2016 at 9:00 a.m. at FREESTATE CHALLENGE PROGRAM Building E4230. Address: 4230 Beal Road, Gunpowder, Maryland  21010. At the scheduled Pre-Bid Conference/Site Visit, each Bidder will be permitted to examine the building, familiarize
himself/herself with the full nature and extent of the work and obtain answers to questions about or clarifications of the contract. It is the sole responsibility of the Bidder to familiarize himself/herself fully with the building and the contents of the specifications of this solicitation. Failure to do so does not relieve the successful Bidder from their obligation to comply with all aspects of this Bid package for the amount he/she specifies as his/her bid.

The Conference will be summarized. As promptly as is feasible subsequent to the Conference, a summary of the Conference and all questions and answers known at that time will be distributed to all prospective Bidders known to have received a copy of this IFB. This summary, as well as the questions and answers, will also be posted on eMaryland Marketplace. See IFB Section 1.8.

In order to assure adequate seating and other accommodations at the Conference, please e-mail, mail, or fax to 410-234-3820 the Pre-Bid Conference Response Form to the attention of the Procurement Officer no later than 1:00 p.m. Local Time on May 16, 2016. The Pre-Bid Conference Response Form is included as Attachment E to this IFB. In addition, if there is a need for sign language interpretation and/or other special accommodations due to a disability, please notify the Procurement Officer no later than 1:00 p.m. Friday May 13, 2016. The Department will make a reasonable effort to provide such special accommodation.

**1.8 eMarylandMarketplace**

1.8.1 Bids for this solicitation are being accepted solely online through eMaryland Marketplace (eMM). Bidders must bid all line items. Partial or incomplete bids will be rejected unless otherwise stated in the solicitation. Bidders shall elaborate on items in Specifications only when requested. Bidders should not provide any comments in the comments box for each line item. If comments are provided the bid may be determined to be non-responsive. Bidders should not provide unsolicited discounted pricing unless instructed to do so in the Specifications.

1.8.2 **Print out all forms and attachments and carefully review the entire solicitation. After bids are opened, you will no longer be able to access this solicitation.** Retain all sections for future reference.

1.8.3 In order to receive a contract award, a vendor must be registered on eMM. Registration is free. Go to [https://emaryland.buy speedy.com/bso/login.jsp](https://emaryland.buy speedy.com/bso/login.jsp), click on “Register” to begin the process, and then follow the prompts. If the State of Maryland or other regulatory body requires a license or certificate to perform the services required under this IFB, please provide a copy with your bid response.

**1.9 Questions and Inquires**

1.9.1 All communications regarding this solicitation are to be made solely through the Procurement Officer via email. Only information communicated by the Procurement Officer or their authorized representative will be the official position of the State on an issue. Questions regarding this solicitation must be submitted in writing no later than 3:00 p.m. May 20, 2016.

1.9.2 All questions should be submitted in a timely manner. When questions are not received in a timely manner, the Procurement Officer will, based on the availability of time to research and communicate an answer, decide whether they can answer an untimely question before the bid due date.

1.9.3 Current Contract Pricing Information will not be provided because the specifications may have been modified. Contractors are advised that basing their bid on current contract pricing when specifications have been modified could lead to non-responsive bid pricing. As part of a responsibility determination, bidders may be required to attend or schedule a site visit at the facility to inspect specific conditions in detail to assist in their bid preparation.
1.10 Procurement Method

This Contract will be awarded in accordance with the Competitive Sealed Bidding method in accordance with Section 13-103 of the State Finance and Procurement Article, Annotated Code of Maryland and COMAR 21.05.02. In accordance with COMAR 21.05.02.13, the Contract will be awarded to the responsible and responsive bidder whose bid meets the requirements and evaluation criteria set forth in the IFB and is either the most favorable bid price or most favorable evaluated bid price.

1.11 Bids – Opening/Due Date and Time/References

1.11.1 Bids for this solicitation are being accepted solely via email. The Bid Due date is Tuesday, May 31, 2016 at 10:00 a.m. This contract shall be awarded to the responsible bidder that submits the lowest responsive bid meeting the specifications. Bids may be modified or withdrawn by written notice received by the Procurement Officer before the time and date set for the opening. Bids will be opened as soon as practicable after the deadline for the receipt of bids in the solicitation. Bid results will not be given by phone. Bids may not be submitted by facsimile.

1.11.2 Should a Bidder be in doubt as to the meaning or intent of any section or subsection of this IFB, the Bidder must request clarification from the Procurement Officer via email. Do not use the comments box in the eMM solicitation to ask a question or comment on the solicitation. See Section 1.9

1.11.3 Vendors not responding to this solicitation are requested to submit the “No Bid Notice” form, which includes company information and the reason for not responding (e.g., too busy, cannot meet mandatory requirements, etc.). This form is located in the IFB on page (iii), immediately following the Title Page (page ii). Fax, email, hand carry or mail only.

1.11.4 All Bidders should read and retain a copy of all the bid documents for their reference. Your bid documents should consist of the solicitation with all required attachments, including the affidavits and any other required submissions specified in the solicitation, or amendments, if any.

1.11.5 Submission requirements must be submitted with each bid independently and cannot be referenced to prior bid submissions to satisfy the requirements. Print out all forms and carefully review the entire solicitation. After bids are opened, you will no longer be able to access this solicitation.

1.11.6 Vendor must provide a list of references of state agencies for which it provided services within the past five (5) consecutive years. See Section 4.4.5. This list must be submitted to the Procurement Officer via email as part of the required bid documents.

1.12 Multiple or Alternate Bids

Multiple and/or alternate Bids will not be accepted

1.13 BPO as a Contract

The Blanket Purchase Order (BPO) issued as a result of the invitation for Bid (IFB) and any subsequent amendments, modifications or options issued relevant to the IFB or BPO, shall comply with all of the terms, conditions and specifications issued with the IFB and are incorporated in and made part of the BPO.

1.14 Confidentiality
1.14.1 Bidders should give specific attention to the identification of those portions of their bid which they deem to be confidential, or to contain proprietary information or trade secrets. Bidders should provide justification why such material, upon request, should not be disclosed by the State under the Maryland Public Information Act (PIA), State Government Article, Title 10, Subtitle 6 of the Annotated Code of Maryland. Any section or part of a bid or proposal deemed confidential or proprietary should be so identified on the respective page of the bid or proposal.

1.14.2 For requests for information made under the Public Information Act (PIA), the Procurement Officer shall examine the Bids to determine the validity of any requests for nondisclosure of trade secrets and other proprietary data identified in writing. Nondisclosure is permissible only if approved by the Office of the Attorney General.

1.15 Award Basis

1.15.1 The Contract shall be awarded to the responsible Bidder submitting a responsive Bid with the most favorable Total Bid Price (as referenced in COMAR 21.05.02.13) for providing the service as specified in this IFB. Bidders must bid all lines items. Partial or incomplete bids will be rejected unless otherwise stated in the solicitation.

1.15.2 Award of this contract by DMIL will not be final and complete until after: (1) the Contractor submits complete and satisfactory documentation required under the Contract and/or documentation required by the Procurement Officer; and (2) a proposed award is approved by DMIL, DGS and/or the Board of Public Works.

1.15.3 The BPO issued as a result of the solicitation, and any subsequent amendments, modifications or options issued relevant to the solicitation or BPO, complies with all the terms, conditions and specifications issued with the solicitation and is incorporated in and made part of the Contract – Attachment A.

1.16 Tie Bids

Tie Bids will be decided pursuant to COMAR 21.05.02.14.

1.17 Duration of Bid

Bids submitted in response to this IFB are irrevocable for 120 days following the closing date of the Bids. This period may be extended at the Procurement Officer’s request only with the Bidder’s written agreement.

1.18 Revisions to the IFB

If it becomes necessary to revise this IFB before the due date for Bids, the Department shall provide addenda to all prospective Bidders through eMM. Addenda will be placed on eMM within a reasonable time to allow Bidders to consider them in preparing their bids. It remains the responsibility of all prospective Bidders to check eMM for any addenda issued prior to the submission of Bids. If the due date for submission of bids does not permit adequate time for consideration of the addenda by Bidders, the bid due date will be extended.

Bidders should acknowledge receipt of all addenda to this IFB issued before the Bid due date. Failure to acknowledge receipt of an addendum does not relieve the Bidder from complying with the terms, additions, deletions, or corrections set forth in the addendum, and may cause the Bid to be rejected as being non-responsive to the requirements of the IFB.
1.19 Cancellations

The State reserves the right to cancel this IFB, or accept or reject any and all Bids, in whole or in part, received in response to this IFB.

1.20 Incurred Expenses

The State will not be responsible for any costs incurred by any Bidder in preparing and submitting a Bid or in performing any other activities related to submitting a Bid in response to this solicitation.

1.21 Protest/Disputes

Any protest or dispute related, respectively, to this solicitation or the resulting Contract shall be subject to the provisions of State Finance and Procurement Article, Title 15, Subtitle 2 of the Annotated Code of Maryland and COMAR 21.10 (Administrative and Civil Remedies).

1.22 Bidder Responsibilities

The selected Bidder shall be responsible for rendering services for which it has been selected as required by this IFB. If applicable, subcontractors utilized in meeting the established MBE or VSBE participation goal(s) for this solicitation shall be identified as provided in the appropriate Attachment(s) of this IFB (see Section 1.33 “Minority Business Enterprise Goals” and Section 1.41 “Veteran-Owned Small Business Enterprise Goals.”).

If a Bidder that seeks to perform or provide the services required by this IFB is the subsidiary of another entity, all information submitted by the Bidder, such as but not limited to, references, financial reports, or experience and documentation (e.g. insurance policies, bonds, letters of credit) used to meet minimum qualifications, if any, shall pertain exclusively to the Bidder, unless the parent organization will guarantee the performance of the subsidiary. If applicable, the Bidder’s Bid shall contain an explicit statement that the parent organization will guarantee the performance of the subsidiary.

1.23 Substitution of Personnel

If the solicitation requires that a particular individual or personnel be designated by the Bidder to work on the Contract, any substitution of personnel after the Contract has commenced must be approved in writing by the Contract Monitor prior to the substitution. If the Contractor substitutes personnel without the prior written approval of the Contract Monitor, the Contract may be terminated for default which shall be in addition to, and not in lieu of, the State’s remedies under the Contract or which otherwise may be available at law or in equity.

1.24 Mandatory Contractual Terms

By submitting a Bid in response to this IFB, a Bidder, if selected for award, shall be deemed to have accepted the terms and conditions of this IFB and the Contract, attached herein as Attachment A. Any exceptions to this IFB or the Contract must be raised prior to Bid submission. Changes to the solicitation, including the Bid Form or Contract, made by the Bidder may result in Bid rejection.

1.25 Bid/Proposal Affidavit

A Bid submitted by a Bidder must be accompanied by a completed Bid/Proposal Affidavit. A copy of this Affidavit is included as Attachment B of this IFB.
1.26 **Contract Affidavit**

All Bidders are advised that if a Contract is awarded as a result of this solicitation, the successful Bidder will be required to complete a Contract Affidavit. This Contract Affidavit will also be required to be completed by the Contractor prior to any Contract renewals, including the exercise of any options or modifications that may extend the Contract term.

1.27 **Compliance with Laws/Arrearages**

By submitting a Bid in response to this IFB, the Bidder, if selected for award, agrees that it will comply with all Federal, State, and local laws applicable to its activities and obligations under the Contract.

   c. For all other claims, damages, losses, costs, expenses, suits, or actions in any way related to this Contract, regardless of the form. Contractor’s liability for third party claims arising under Section 10 of
this Contract shall be unlimited if the State is not immune from liability for claims arising under Section 10.

29. **Parent Company Guarantee (If Applicable)**

(Corporate name of Contractor’s Parent Company) hereby guarantees absolutely the full, prompt, and complete performance by (Contractor) of all the terms, conditions and obligations contained in this Contract, as it may be amended from time to time, including any and all exhibits that are now or may become incorporated hereunto, and other obligations of every nature and kind that now or may in the future arise out of or in connection with this Contract, including any and all financial commitments, obligations, and liabilities. (Corporate name of Contractor’s Parent Company) may not transfer this absolute guaranty to any other person or entity without the prior express written approval of the State, which approval the State may grant, withhold, or qualify in its sole and absolute subjective discretion. (Corporate name of Contractor’s Parent Company) further agrees that if the State brings any claim, action, suit or proceeding against (Contractor), (Corporate name of Contractor’s Parent Company) may be named as a party, in its capacity as Absolute Guarantor.

30. **Commercial Nondiscrimination**

30.1 As a condition of entering into this Contract, Contractor represents and warrants that it will comply with the State’s Commercial Nondiscrimination Policy, as described at Md. Code Ann., State Finance and Procurement Article, Title 19. As part of such compliance, Contractor may not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Contractor retaliate against any person for reporting instances of such discrimination. Contractor shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not prohibit or limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the marketplace. Contractor understands that a material violation of this clause shall be considered a material breach of this Contract and may result in termination of this Contract, disqualification of Contractor from participating in State contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

30.2 The Contractor shall include the above Commercial Nondiscrimination clause, or similar clause approved by the Department, in all subcontracts.

30.3 As a condition of entering into this Contract, upon the request of the Commission on Civil Rights, and only after the filing of a complaint against Contractor under Md. Code Ann., State Finance and Procurement Article, Title 19, as amended from time to time, Contractor agrees to provide within sixty (60) days after the request a complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past four (4) years on any of its contracts that were undertaken within the State of Maryland, including the total dollar amount paid by Contractor on each subcontract or supply contract. Contractor further agrees to cooperate in any investigation conducted by the State pursuant to the State’s Commercial Nondiscrimination Policy as set forth at Md. Code Ann., State Finance and Procurement Article, Title 19, and to provide any documents relevant to any investigation that are requested by the State. Contractor understands that violation of this clause is a material breach of this Contract and may result in contract termination, disqualification by the State from participating in State contracts, and other sanctions.

31. **Prompt Pay Requirements**

31.1 If the Contractor withholds payment of an undisputed amount to its subcontractor, the Department, at its option and in its sole discretion, may take one or more of the following actions:
a. Not process further payments to the contractor until payment to the subcontractor is verified;
b. Suspend all or some of the contract work without affecting the completion date(s) for the contract work;
c. Pay or cause payment of the undisputed amount to the subcontractor from monies otherwise due or that may become due;
d. Place a payment for an undisputed amount in an interest-bearing escrow account; or
e. Take other or further actions as appropriate to resolve the withheld payment.

31.2 An “undisputed amount” means an amount owed by the Contractor to a subcontractor for which there is no good faith dispute. Such “undisputed amounts” include, without limitation:

a. Retainage which had been withheld and is, by the terms of the agreement between the Contractor and subcontractor, due to be distributed to the subcontractor; and
b. An amount withheld because of issues arising out of an agreement or occurrence unrelated to the agreement under which the amount is withheld.

31.3 An act, failure to act, or decision of a Procurement Officer or a representative of the Department, concerning a withheld payment between the Contractor and a subcontractor under this provision, may not:

a. Affect the rights of the contracting parties under any other provision of law;
b. Be used as evidence on the merits of a dispute between the Department and the contractor in any other proceeding; or
c. Result in liability against or prejudice the rights of the Department.

31.4 The remedies enumerated above are in addition to those provided under COMAR 21.11.03.13 with respect to subcontractors that have contracted pursuant to the Minority Business Enterprise (MBE) program.

31.5 To ensure compliance with certified MBE subcontract participation goals, the Department may, consistent with COMAR 21.11.03.13, take the following measures:

a. Verify that the certified MBEs listed in the MBE participation schedule actually are performing work and receiving compensation as set forth in the MBE participation schedule.
b. This verification may include, as appropriate:
   i. Inspecting any relevant records of the Contractor;
   ii. Inspecting the jobsite; and
   iii. Interviewing subcontractors and workers.
   iv. Verification shall include a review of:
      (a) The Contractor’s monthly report listing unpaid invoices over thirty (30) days old from certified MBE subcontractors and the reason for nonpayment; and
      (b) The monthly report of each certified MBE subcontractor, which lists payments received from the Contractor in the preceding thirty (30) days and invoices for which the subcontractor has not been paid.

c. If the Department determines that the Contractor is not in compliance with certified MBE participation goals, then the Department will notify the Contractor in writing of its findings, and will require the Contractor to take appropriate corrective action. Corrective action may include, but is not limited to, requiring the Contractor to compensate the MBE for work performed as set forth in the MBE participation schedule.

d. If the Department determines that the Contractor is in material noncompliance with MBE contract provisions and refuses or fails to take the corrective action that the Department requires, then the Department may:
   i. Terminate the contract;
   ii. Refer the matter to the Office of the Attorney General for appropriate action; or
iii. Initiate any other specific remedy identified by the contract, including the contractual remedies required by any applicable laws, regulations, and directives regarding the payment of undisputed amounts.

f. Upon completion of the Contract, but before final payment or release of retainage or both, the Contractor shall submit a final report, in affidavit form under the penalty of perjury, of all payments made to, or withheld from, MBE subcontractors.

32. Living Wage

If a Contractor subject to the Living Wage law fails to submit all records required under COMAR 21.11.10.05 to the Commissioner of Labor and Industry at the Department of Labor, Licensing and Regulation, the agency may withhold payment of any invoice or retainage. The agency may require certification from the Commissioner on a quarterly basis that such records were properly submitted.

A. AUTHORIZED REPRESENTATIVE

I HEREBY AFFIRM THAT:

I (print business name) _____________________________

possess the legal authority to make this Affidavit.

B. CERTIFICATION REGARDING COMMERCIAL NONDISCRIMINATION

The undersigned Bidder hereby certifies and agrees that the following information is correct:

The undersigned bidder hereby certifies and agrees that the following information is correct: In preparing its bid on this project, the bidder has considered all proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in §19-103 of the State Finance and Procurement Article of the Annotated Code of Maryland. "Discrimination" means any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or any otherwise unlawful use of characteristics regarding the vendor's, supplier's, or commercial customer's employees or owners. "Discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination". Without limiting any other provision of the solicitation on this project, it is understood that, if the certification is false, such false certification constitutes grounds for the State to reject the bid submitted by the bidder on this project, and terminate any contract awarded based on the bid. As part of its bid or proposal, the bidder herewith submits a list of all instances within the past 4 years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Maryland that the bidder discriminated against subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that determination, including any remedial action taken. Bidder agrees to comply in all respects with the State's Commercial Nondiscrimination Policy as described under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland.

B-1. Certification Regarding Minority Business Enterprises

The undersigned bidder hereby certifies and agrees that it has fully complied with the State Minority Business Enterprise Law, State Finance and Procurement Article, §14-308(a)(2), Annotated Code of Maryland, which provides that, except as otherwise provided by law, a contractor may not identify a certified minority business enterprise in a bid or proposal and:

(1) Fail to request, receive, or otherwise obtain authorization from the certified minority business enterprise to identify the certified minority proposal;

(2) Fail to notify the certified minority business enterprise before execution of the contract of its inclusion in the bid or proposal;

(3) Fail to use the certified minority business enterprise in the performance of the contract; or

(4) Pay the certified minority business enterprise solely for the use of its name in the bid or proposal.

Without limiting any other provision of the solicitation on this project, it is understood that if the certification is false, such false certification constitutes grounds for the State to reject the bid submitted by the bidder on this project, and terminate any contract awarded based on the bid.
B-2. Certification Regarding Veteran-Owned Small Business Enterprises

The undersigned bidder hereby certifies and agrees that it has fully complied with the State veteran-owned small business enterprise law, State Finance and Procurement Article, §14-605, Annotated Code of Maryland, which provides that a person may not:

4. Willfully and knowingly aid, assist in, procure, counsel, or advise the preparation or presentation of a declaration, statement, or other document that is fraudulent or false as to any material matter, regardless of whether that falsity or fraud is committed with the knowledge or consent of the person authorized or required to present the declaration, statement, or document;

ATTACHMENT F – BID PRICING INSTRUCTIONS

In order to assist Bidders in the preparation of their Bid and to comply with the requirements of this solicitation, Bid Pricing Instructions and a Bid Form have been prepared. Bidders shall submit their Bid on the Bid Form in accordance with the instructions on the Bid Form and as specified herein. Do not alter the Bid Form or the Bid Form may be rejected. The Bid Form is to be signed and dated, where requested, by an individual who is authorized to bind the Bidder to the prices entered on the Bid Form.

The Bid Form is used to calculate the Bidder’s TOTAL BID PRICE. Follow these instructions carefully when completing your Bid Form:

A) All Unit and Extended Prices must be clearly entered in dollars and cents, e.g., $24.15. Make your decimal points clear and distinct.

B) All Unit Prices must be the actual price per unit the State will pay for the specific item or service identified in this IFB and may not be contingent on any other factor or condition in any manner.

C) All calculations shall be rounded to the nearest cent, i.e., .344 shall be .34 and .345 shall be .35.

D) Bidders must bid all lines.

E) Every blank in every Bid Form shall be filled in. Any blanks may result in the Bid being regarded as non-responsive and thus rejected. Any changes or corrections made to the Bid Form by the Bidder prior to submission shall be initialed and dated.

F) Except as instructed on the Bid Form, nothing shall be entered on or attached to the Bid Form that alters or proposes conditions or contingencies on the prices. Alterations and/or conditions usually render the Bid non-responsive, which means it will be rejected.

G) It is imperative that the prices included on the Bid Form have been entered correctly and calculated accurately by the Bidder and that the respective total prices agree with the entries on the Bid Form. Any incorrect entries or inaccurate calculations by the Bidder will be treated as provided in COMAR 21.05.03.03E and 21.05.02.12, and may cause the Bid to be rejected.

H) If option years are included, Bidders must submit pricing for each option year. Any option to renew will be exercised at the sole discretion of the State and will comply with all terms and conditions in force at the time the option is exercised. If exercised, the option period shall be for a period identified in the IFB at the prices entered in the Bid Form.

I) All Bid prices entered below are to be fully loaded prices that include all costs/expenses associated with the provision of services as required by the IFB. The Bid price shall include, but is not limited to, all: labor, profit/overhead, general operating, administrative, and all other expenses and costs necessary to perform the work set forth in the solicitation. No other amounts will be paid to the Contractor. If labor rates are requested, those amounts shall be fully-loaded rates; no overtime amounts will be paid.

J) Unless indicated elsewhere in the IFB, sample amounts used for calculations on the Bid Form are typically estimates for bidding purposes only. The Department does not guarantee a minimum or maximum number of units or usage in the performance of this Contract.

K) Failure to adhere to any of these instructions may result in the Bid being determined non-responsive and rejected by the Department.

The Bid shall contain all price information in the format specified on these pages. Complete the Bid Form only as provided in the Bid Pricing Instructions. Do not amend, alter or leave blank any items on the Bid Form. If option years are included, Bidders must submit Bids for each option year. Failure to adhere to any of these instructions may result in the bid being determined non-responsive and rejected by the Department.
