

Creating Your Kuder Journey Account

A Solder's Step-by-Step Guide When Creating an Account and Understanding Their Individualized Career Assessment

Steps to Complete the Kuder Career Assessment

Sample Kuder Career Assessment Results

- The Kuder Career Assessment is a Starting Point, Not a Final Destination.**

This assessment provides you with a roadmap of career fields that match your interests. It does not lock you into one path/ it equips you to make informed, empowered decisions about your future.“
- Use Your Results to Drive Your Own Career Development.**

Ownership of your career is in your hands. Leverage your Kuder results to explore educational programs, certifications, or credentialing opportunities that align with your goals.
- Your Career Journey is a Continuous Process, Not a One-Time Event.**

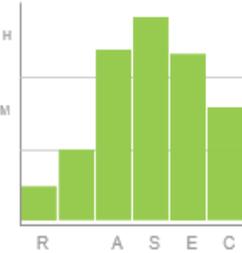

Career exploration is ongoing. As you gain experience, your interests and goals may evolve. The Kuder results are a valuable tool to revisit throughout your career to realign your plans with your personal and professional growth.

Kuder Career Interests Assessment® Results for [Redacted]

Your Holland Code: **SAE**

The results below are based on your top Holland personality types, as determined by your Kuder Career Interests Assessment

Date Completed 4/28/2025

Key
