

**TRADITIONAL GUARD OFFICER
VACANCY ANNOUNCEMENT**

**175th Wing
235th Civil Engineer Flight
Deputy Commander**

CLOSING DATE: 15 Jan 2025

AREA OF CONSIDERATION: This is a commissioned officer position and is open to commissioned officers assigned to the Air National Guard serving in the rank of Colonel / grade of O-6 or Lt Cols with a current COE.

UNIT: 235th Civil Engineer Flight

AFSC: 32E

AUTHORIZED RANK/GRADE: Colonel/O-6

POSITION DESCRIPTION: Serves as one of two deputy commanders for the Maryland Air National Guard 235th Civil Engineer Flight whose primary mission is the delivery of highly specialized engineering capability and theater-wide command and control support to plan, establish, and sustain air, space, and cyberspace operations during wartime, stability, or humanitarian operations for the Office of the Joint Chief of Staff, Headquarters Air Force Directorate of Civil Engineers, Headquarters United States Air Forces in Europe, and Headquarters European Command.

POSITION DETAILS:

Position reports directly to the 235th CEF Commander. Provides leadership, direction and oversight to three (3) O-5 unit branches delivering engineering capability and theater-wide command and control expertise in support of Air National Guard, United States Air Force, Combatant Command, and National requirements. Plans, tasks, executes, monitors and sustains civil engineer personnel, functions, and facilities as well as recruits, trains and certifies civil engineer personnel in engineer tactics, techniques, and procedures. Directly interfaces with supported organizations at the Colonel / O-6 level to ensure proper employment of unit personnel and capability alignment with theater posture.

Manages force employment planning, execution, and combat assessment of civil engineer requirements and provides policy recommendations. Ensures assigned civil engineer airmen are fully trained, qualified and prepared to deploy in response to RCP and short-notice mobilization taskings. Additional experience with European theater of operation in a Joint environment preferred but not mandatory. Registration as a licensed professional engineer or architect preferred but not mandatory.

MANDATORY: Applicant must qualify for, or already possess, a TOP SECRET/ SENSITIVE COMPARTMENTED INFORMATION security clearance. Applicants must be a current O6 or have a certificate of eligibility (COE). Applicants must have a 32E AFSC.

APPLICATION PROCEDURES:

Package must include:

- Current resume
- Last three (3) Officer Performance Reports
- vMPF Records Review RIP
- Current Fitness Report

Submit packages to:
