### **Maryland Museum of Military History Temporarily Closed Due to Heating Issues**

The Maryland Museum of Military History, located at the Fifth Regiment Armory, has announced that it will be temporarily closed to the public until further notice due to a lack of heat in the building.

The museum apologizes for any inconvenience this may cause and assures visitors that it is working tirelessly to resolve the heating issue as soon as possible. We will provide updates on the situation as they become available.

We thank everyone for their understanding and look forward to welcoming visitors back to the Maryland Museum of Military History once the heating system has been fully repaired.
